Measure “L” Program Update

January 2014

Presented By:

PMI PROGRAM MANAGEMENT
INTEGRATION, LLC.

Program Status

- The District's design team has received comments back from the Division of the State Architect (DSA) for all projects
- DSA provides design and construction oversight for K-12 schools and reviews plans in the three major areas of structural, life safety, and access
- The design team is currently addressing comments received from DSA on the projects. DSA approval is anticipated by March 2014
- The team has developed detailed cost estimates for the projects and is reviewing alternates to reconcile the budget and scope for the first phase of construction
- Upon DSA approval, funding applications will be submitted to the Office of Public School Construction (OPSC)
- The State's program review subcommittee will be presenting its final recommendation to the full State Allocation Board (SAB) on January 22nd for a potential State bond
- The Measure "L" website is completed and live and can be accessed at:

www.lindsaymeasurel.org
- A mailer was distributed to the community in January 2014 to report on progress and is also available on the Measure "L" website. The team will continue to provide periodic updates to the community
